E MOTORAD

Ride Easy. Ride Electric.

Who we are

We are the change makers.

We aim to unite & uplift urban citizens
Movement is Life and so Emotion. Healthy lifestyle is not a luxury anymore, it is a necessity and we will provide you with the same.

What we do

Effortless is where we make rides for the future.

We are an EV company that strives to bring dynamic and premium electric mobility solutions for the urban commuters, daily commuters and travellers.

We are your backyard garage conquering the world, delivering performance and ushering in a sustainable tomorrow.

RANGE OF GREATNESS

Performance, Endurance & Reliability

Effortlessly engineered to change with Everyday ranges of eBikes for each segment of riders, according to their needs and usages.
